*“I don’t believe in charity.  
I believe in solidarity.  
Charity is so vertical. It  
goes from the top to the  
bottom. Solidarity is  
horizontal. It respects the  
other person. We have a  
lot to learn from other  
people.”*

- Eduardo Galeano

All of the ARISE centers are gearing up for their programs! Although we have leaders for each of the classes, we always welcome volunteers.

Our folklórico classes can always benefit from another experienced dancer...our craft classes love working on new projects...our community events always welcome volunteers...and we have a dream list of future classes that we would like to provide to the community but don’t have staff experienced in areas such as: martial arts and painting.

Do you know of someone in need of community service hours or someone who would like to share their talent? Send them our way!
